**NOTICE OF AWARD OF CONTRACT FOR CONSTRUCTION OF THE WORK
KNOWN AS SOUTHERN NAVAJO COUNTY COMBINED COUNTY IMPROVEMENT
DISTRICTS**

Pursuant to the provisions of Title 48, Chapter 6, Article 1, Sections 48-901 through 48-965 inclusive, Arizona Revised Statutes, and all amendments and supplements thereto, NOTICE IS HEREBY GIVEN that the combined Board of Directors of the Mogollon Airpark, Forest Trails, Forest Trails Unit Two and High Country Pines County Improvement Districts, Arizona (hereinafter the "DISTRICT"), in public session on _____, opened, examined and publicly declared all BIDS offered for the construction of the Road Improvement and Paving, and that thereafter on _____, the Board awarded the CONTRACT to:

the lowest and most responsible BIDDER for the WORK, kind of material and SPECIFICATIONS as set forth in the PLANS and SPECIFICATIONS for a CONTRACT; the aforesaid proposal on file in the Office of the DISTRICT. The aggregate amount BID by the winning BIDDER when the amounts per unit are extended against the quantities set forth in the ENGINEER'S estimate is:

The ENGINEER'S estimate of construction costs was:

The DISTRICT reserves the right to rescind the award of the CONSTRUCTION CONTRACT if it is unable to PROVIDE funding or if for any reason the amount available after the collection of all prepayments and the sale of the individual district Bonds and the allocation of any individual District funds is less than the amount necessary to pay the CONTRACT, and all incidental costs.

The liability of the parties under the CONTRACT is contingent upon the individual districts passing on any objections filed against the acts or proceedings or the award of the CONTRACT pursuant to Arizona Revised Statutes Section 48-923 and finally determining all such objections in favor of the award.

If, because of pending or threatened litigation concerning any one or more parcels subject to assessment, the DISTRICT and the winning BIDDER receive a written opinion of Bond Counsel stating that improvement bonds cannot be issued against such parcel or parcels, the DISTRICT may then cause the CONSTRUCTION CONTRACT to be modified to exclude from the CONSTRUCTION CONTRACT some or all of the work which will benefit the parcel or parcels in question. The filing of a certificate and request that no bonds be issued against any parcel pursuant to Section 48-935, Arizona Revised Statutes, as amended, may be deemed to be threatened litigation.

The said Board has determined that Bonds issued in the name of each of the Districts constituting the DISTRICT but payable only out of the special fund collected by the individual DISTRICTS from the assessments levied and assessed against the property

included within the assessment districts described in Resolution Numbers _____ (the Resolutions of Intention) will be issued to represent a portion of the costs and expenses of the improvement. Said bonds will extend over a period of not more than 25 years from their date and will bear interest at the rate of not to exceed 15% per annum. In addition, each District may allocate such other funds as it may have to pay any portion of the costs of paving within its boundaries.

Any owner, or any other person having an interest in any lot, piece or parcel of land situated within the above-described districts, who claims that any of the provisions, acts or proceedings relating to the above-described improvement are irregular, defective, illegal, erroneous or faulty, may file with the districts, Navajo County Governmental Complex, South Highway 77, Holbrook, AZ 86025, within 15 days from the date of the first publication of this notice, a written notice specifying in what way said acts or proceedings are irregular, defective, illegal, erroneous or faulty; if no such notices are filed, the DISTRICT will, within twenty (20) days after the date of first publication, enter into a CONTRACT with the above-named contractor or contractors to make said improvements at the unit prices specified in said proposal or bid.

The CONTRACTORS are required by the Instructions to BIDDERS to execute the Agreement and FURNISH the required Faithful Performance Bond, Payment Bond and certificates of insurance within ten (10) DAYS from the date of this Notice.

If a CONTRACTOR fails to execute said Agreement and to FURNISH said Bonds within ten (10) DAYS from the date of this Notice, said DISTRICT will be entitled to consider all the CONTRACTOR'S rights arising out of the DISTRICT'S ACCEPTANCE of your BID PROPOSAL as abandoned and as a forfeiture of your BID Guaranty Bond. The DISTRICT will be entitled to such other rights as may be granted by law.

The CONTRACTOR is required to return an acknowledged copy of this Notice of Award to the DISTRICT.
